Our Service

At Galaxy Plus Security Solutions, we offer a comprehensive suite of security and network solutions designed to enhance safety and operational efficiency for businesses across various sectors. Our key services include:

TIME & ATTENDANCE SYSTEM

Streamline workforce management with our advanced systems that offer accurate time tracking, reporting, and biometric authentication.

FIRE ALARM SYSTEM

Protect your premises with our state-of-the-art fire detection and alarm systems, ensuring early warning and compliance with safety regulations.

OPTICAL FIBER NETWORK SYSTEM

Experience high-speed connectivity with our optical fiber solutions, tailored for corporate and industrial environments to meet your data transmission needs.

ACCESS CONTROL SYSTEMS

Enhance security by managing entry to your facilities with our advanced access control solutions, including biometric and key card systems.

CCTV SURVEILLANCE SYSTEM

Safeguard your assets with our cutting-edge video surveillance technology, featuring high-definition cameras and smart analytics for real-time monitoring.

HOTEL LOCKS

Improve guest security and convenience with our reliable electronic hotel locking systems, easily integrated with hotel management solutions.

PAYROLL SOFTWARE

Simplify your payroll processes with user-friendly software that automates calculations and reporting, ensuring compliance and accuracy

MULTI APARTMENT VIDEO DOOR PHONE

Enhance security in multi-apartment setups with our video door phone systems, allowing residents to see and communicate with visitors before granting access.

INTRUDER & BURGLAR ALARM SYSTEM

Protect your premises from unauthorized access with our advanced intruder detection solutions that provide real-time alerts.

FACTORY HHOOTER

Improve workplace communication with our factory hooter systems, essential for signaling breaks, emergencies, and shift changes.

FIRE EXTINGUISHERS

Equip your premises with reliable fire extinguishing solutions tailored to various environments for effective fire safety.

HOME AUTOMATION SYSTEM

Integrate technology into your home for enhanced comfort and security, controlling lighting, appliances, and security systems from your smartphone.

FIRE HYDRANT SYSTEM

Ensure fire safety with our efficient fire hydrant solutions, providing accessible and reliable firefighting resources in emergencies.

ENERGY SSAVING SYSTEM

Optimize energy usage with our innovative technologies that help reduce operational costs while promoting sustainability.

AMC SUPPORT

Benefit from our Annual Maintenance Contracts, ensuring ongoing support and service for your security systems to keep them running smoothly.

ANTI-SLIP TAPE & PUBILIC SAFETY PRODUCTS

Enhance safety in public spaces with our anti-slip solutions and other safety products that help prevent accidents and ensure compliance with regulations.
